

UCI University of
California, Irvine

Fifth Annual SoCal RNA Symposium

Friday, October 21
8:30 a.m. to 5:30 p.m.

CALIT2 Auditorium
4100 E. Peltason Dr., Irvine, CA
FREE Event
Registration Required

The SoCal RNA Symposium is an annual meeting hosted by the UCI RNA Club, featuring a keynote speaker and a number of local speakers from major universities and research institutes from Southern California. The research area of the conference is RNA science.

UCI School of Medicine - Dean's Distinguished Lecture Series (DDLS)

Keynote Speaker

RNA Everywhere: Telomere Replication, Epigenetic
Silencing and Cancer

Nobel Laureate Thomas R. Cech, PhD

Distinguished Professor of Biochemistry
University of Colorado Boulder
Investigator, Howard Hughes Medical Institute

[Click here for more information.](#)

Featured Speakers

Doug L. Black, PhD
University of California,
Los Angeles

Hailing Jin, PhD
University of California,
Riverside

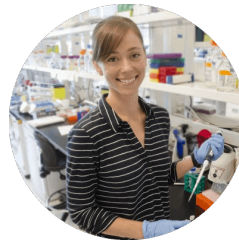

Shannon Lauberth, PhD
Northwestern University
Feinberg

Zhipeng Lu, PhD
University of Southern
California

Amy Pasquinelli, PhD
University of California,
San Diego

Olivia Rissland, PhD
University of Colorado

Grace Xiao, PhD
University of California,
Los Angeles

**And University of
California, Irvine Faculty**

Symposium Organizers

Yongsheng Shi, PhD
Professor & Chancellor's Fellow,
Microbiology & Molecular Genetics
University of California, Irvine

**Co-Organizer
Feng Qiao, PhD**
Professor
Biological Chemistry
University of California, Irvine

Hosted this year by UCI RNA Club

Sponsored by

UCI School of Medicine

UCI Department of Microbiology
& Molecular Genetics

UCI Department of
Biological Chemistry

UCI Cancer Research
Institute

UCI Pharmaceutical
Sciences

UCI 趙 Chao Family
Comprehensive Cancer Center

Synthetic and Chemical Biology Group
